

Doing things differently.

Securing quality work with a reputable, progressive and innovative legal business that is able to accommodate your preferred working pattern is a challenge. Our solution to this challenge is DWF Resource - the next generation of flexible resource.

DWF Resource is our flexible resourcing service, providing high quality legal support when, where and how our clients need it.

Our flexible resourcing service is:

- **Integrated** - An important part of DWF's Integrated Delivery Model, so we will invest in you. Our best in class knowledge support will continuously develop your skills and our cutting edge legal solutions will keep you one step ahead of the game
- **Present** - We are where you are. Unlike other offerings that focus on the South-East, DWF Resource operates nationwide, meaning we offer local assignments for local clients
- **Efficient** - From our quick and seamless on-boarding process to providing you with what you need, our DWF Resource team will make your experience of working with us a positive one. The team will support you, ensuring that you enjoy working with us and that you feel valued.

Members of the DWF Resource team benefit from:

- A robust support structure, including a dedicated co-ordinator
- Professional indemnity insurance cover
- Selection of local, national or international assignments
- The opportunity to work with FTSE 100 household names, from the public and private sector
- Choice of client or internal work, part time or full time hours, office or home working to suit your needs

DWF Resource can provide:

- Short-term support
- Project specific roles
- Interim and cover roles
- On site and off site support
- Blended arrangements

Contacts

If you would like to enquire about becoming a DWF Accredited Consultant simply register your interest with the DWF Resource team directly or through our website.
